

Sunpark P117-1-62 Decorative LED Pendant

Sunpark P117-1-62 Decorative LED Pendant. The P117-1-62 is ideal for indoor applications at residential and commercial locations. This fixture is suitable for dining rooms, kitchen islands, lobbies, conference rooms, rec rooms, offices, and much more! This hanging pendant fixture is ideal for dry locations. The fixture provides excellent light distribution and uniformity with opal glass optic shade. The opal shade allows for color matching multiple finishes throughout the home or business. Multiple lighting color temperatures give users options for different applications while maintaining the same aesthetic. Versatile and modern pendant lights are the perfect decorative accents. Pendant lights are a popular decorative or task lighting option that can be used anywhere in your home. Installation is traditional, quick and easy. The GU24 base of this fixture ensures that you will be CA Title 24 Compliant when you choose the right bulb. Need light bulb suggestions? Ask us!
