

LC2101-XX – WALL TRU- UNIVERSAL RF DIMMER

This is the Wall Tru-Universal RF Dimmer. The radiant® collection is a step up from the standard with simple, classic options in wiring devices, home automation controls and screwless wall plates that complement today's homes.

The In-Wall Tru-Universal Dimmer operates all dimmable lighting types and loads using the home's existing electrical wiring. Its patented Tru-Universal technology automatically adapts to any load or combination of loads attached to it, eliminating flicker, early dropout, or "pop-on" deficiencies which can plague other non-adaptive dimmers.

Legrand's RF Lighting Control switches and dimmers also integrate with the Intuity home automation system by Legrand for unified control of lights, security, audio, and more.

Everyone wants a home that's a step above ordinary. Now the radiant ® collection of switches, outlets, dimmers and home automation controls by Legrand puts that stylish finishing touch affordably within reach. radiant gets rid of unsightly screws, delivering clean looks in a range of colors and metallic finishes. Put more modern convenience at your fingertips. Go more radiant. **Check out the radiant collection.**

LC2102-XX – WALL 2-WIRE INCANDESCENT RF DIMMER

This is the Wall 2-Wire Incandescent RF Dimmer. The radiant® collection is a step up from the standard with simple, classic options in wiring devices, home automation controls and screwless wall plates that complement today's homes.

The 2-Wire Incandescent RF Dimmer dims traditional incandescent loads using the home's existing electrical wiring. Legrand's RF Lighting Control switches and dimmers also integrate with the Intuity home automation system by Legrand for unified control of lights, security, audio, and more.

Everyone wants a home that's a step above ordinary. Now the radiant ® collection of switches, outlets, dimmers and home automation controls by Legrand puts that stylish finishing touch affordably within reach. radiant gets rid of unsightly screws, delivering clean looks in a range of colors and metallic finishes. Put more modern convenience at your fingertips. Go more radiant. **Check out the radiant collection.**

LC2103-XX – WALL REMOTE RF DIMMER

This is the Wall Remote RF Dimmer. The radiant® collection is a step up from the standard with simple, classic options in wiring devices, home automation controls and screwless wall plates that complement today's homes.

The Remote RF Dimmer provides convenient control from multiple access points when used with a load-bearing RF dimmer (LC2101, LC2102, LC2150). Legrand's RF Lighting Control switches and dimmers also integrate with the Intuity home automation system by Legrand for unified control of lights, security, audio, and more.

Everyone wants a home that's a step above ordinary. Now the radiant ® collection of switches, outlets, dimmers and home automation controls by Legrand puts that stylish finishing touch affordably within reach. radiant gets rid of unsightly screws, delivering clean looks in a range of colors and metallic finishes.
