RR-T10RL-XX — RadioRA 2 TABLETOP DESIGNER KEYPAD

This is the RadioRA 2 tabletop designer keypad. RadioRA® 2 Tabletop Designer Keypads provide homeowners with a simple and elegant way to operate lights, shade / draperies, motorized screens, and many other devices. RadioRA® 2 Keypads feature large, easy-to-use buttons, plus a unique backlit engraving option that makes the Keypads readable any time of the day or night. The Keypad buttons are rounded, allowing engraving to be displayed at an upward angle, increasing readability. The versatile design of RadioRA® 2 Tabletop Designer Keypads allows them to be mounted on a wall, placed on top of a table, or used as a cordless Keypad. The Keypads can be powered by a DC adapter (see Low-Voltage Transformer spec P/N 369561, included with -RR models) or with 2 AAA batteries. **Check out the RadioRA 2 products page here**.

- At the press of a single button, lights fade ON or OFF to desired levels and shades / draperies open or close to desired positions.
- Light levels and shade / drapery positions can be fi ne-tuned by pressing and holding the raise / lower buttons.
- Programmable to select whole-house or single room preset levels or positions.
- Adjustable backlight intensity. Design Features
- Prepaid engraving included. Redeemable for one engraved button kit.
- Two "Wake-up" options for cordless operation: — "Wake-up and Activate" (default) — Single button press will "wake

up" and activate selected button. — "Wake-up Only" — Single button press will "wake-up" and show status. Subsequent press will activate button.
