# LC2101-XX – WALL TRU-UNIVERSAL RF DIMMER

This is the Wall Tru-Universal RF Dimmer. The radiant® collection is a step up from the standard with simple, classic options in wiring devices, home automation controls and screwless wall plates that complement today’s homes.

The In-Wall Tru-Universal Dimmer operates all dimmable lighting types and loads using the home’s existing electrical wiring. Its patented Tru-Universal technology automatically adapts to any load or combination of loads attached to it, eliminating flicker, early dropout, or “pop-on” deficiencies which can plague other non-adaptive dimmers.

Legrand’s RF Lighting Control switches and dimmers also integrate with the Intuity home automation system by Legrand for unified control of lights, security, audio, and more.

Everyone wants a home that’s a step above ordinary. Now the radiant ® collection of switches, outlets, dimmers and home automation controls by Legrand puts that stylish finishing touch affordably within reach. radiant gets rid of unsightly screws, delivering clean looks in a range of colors and metallic finishes. Put more modern convenience at your fingertips. Go more radiant. **Check out the radiant collection**.

# LC7001 – WHOLE HOUSE LIGHTING CONTROLLER

Set a schedule for superior lighting, while enjoying the convenience of app-based management for the entire home, with The Hub LC7001 Whole House Lighting Controller!

Compatible with Legrand’s RF Lighting Control devices, the LC7001 connects by Ethernet to a home’s network to enable easy management and automation of a home’s lights, all through the intuitive and aesthetic Legrand Lighting Control app for iOS mobile devices. Using a real-time clock with location-based settings, users can program lighting scenes for specific times – such as lights on at sunset, or lights out at dawn – as well

as manage individual or groups of lights with a simple press of a finger.

FEATURES

- Enables management and automation of a home’s lights through an iOS app for mobile devices
- Contains a real-time clock for scheduling specific time-of-day lighting scenes
- Controls individual lights as well as groups of lights, and executes full scenes
- Allows up to 100 scenes and 100 zones
- Powered by POE or Plug-In Power Supply
- Blends in easily with a sleek, compact design

Everyone wants a home that’s a step above ordinary. Now the radiant ® collection of switches, outlets, dimmers and home automation controls by Legrand puts that stylish finishing touch affordably within reach. radiant gets rid of unsightly screws, delivering clean looks in a range of colors and metallic finishes. Put more modern convenience at your fingertips. Go more radiant. **Check out the radiant collection**.
