LC2201-XX — WALL 1500W RF SWITCH

This is the Wall 1500W RF Switch. The radiant® collection is a step up from the standard with simple, classic options in wiring devices, home automation controls and screwless wall plates that complement today's homes.

This in-wall switch can easily control any non-dimmable load or device. In the radiant® style, the LC2201 shares the collection's fit and finish for consistent color and clean, low-profile design. Legrand's RF Lighting Control switches and dimmers integrate with Intuity Home Intelligence, for superior and unified home control of your lights, security, audio, comfort, and more.

Everyone wants a home that's a step above ordinary. Now the radiant ® collection of switches, outlets, dimmers and home automation controls by Legrand puts that stylish finishing touch affordably within reach. radiant gets rid of unsightly screws, delivering clean looks in a range of colors and metallic finishes. Put more modern convenience at your fingertips. Go more radiant. **Check out the radiant collection**.
